Our Prairie Plugs™ have a 2 ½" top diameter & measure 5" deep (38 per tray). Grooves running lengthwise channel the roots to the open bottom where they are air pruned. This avoids root circling, stimulates a well branched root system, and promotes faster establishment at planting time.

PRAIRIE PLUGS™ IS THE REGISTERED TRADEMARK OF COUNTRY ROAD GREENHOUSES

For over 40 years, Country Road Greenhouses has provided the highest quality Native Plants for:

- Environmental Native restorations
- Native Landscape Designs
- Wetland mitigation
- River & lake bank stabilization/enhancement
- Homeowner Native Prairie plantings
- Pollinator & other Native habitat gardens

Minimum order is 5 flats

**Order in multiples of 38 per species (except when noted as 32)
Contract growing is available**

TERMS:

We sell only to wholesale firms. Wholesale status may be confirmed through presentation of letter-head, check, etc.

Your valid state tax number, (certificate of resale) is required for our records.

Payment terms are C.O.D. or payment in advance unless you have previously established credit with our company.

A 2% per month finance charge will be added to accounts over 60 days.

Payments received on account will be credited to finance charges first, then to invoices according to ship date.

PICK-UP/DELIVERY:

If you pick up at our greenhouse, we request a 24-48 hour advance notice to allow the pulling of your order.

Arrangements for truck delivery must be made in advance.

Delivery charges are based on round trip distance to the delivery site.
